Bottom line: Reading is sexy, and always will be. Do I Give Him a Present. Prepare a romantic meal together. You're months close enough to plan a trip to Aruba together, nor are you close enough to give him an electric tweezer to take care of his stray hairs. When she dumps him he'll be happy that he didn't spend a lot of money on her. Discuss how much your relationship has grown over the past six months. Anniversary Gift Exchange By now, you are familiar with what your boyfriend likes and he knows what you appreciate, as well. Give him your favorite book, or one that you could read together and then talk about it. Oh, so dating 6 months birthday gift a creative, writerly type. Or maybe yours can, in which case, props to your grandma. How much do you think he's going to spend. If she collects anything teddy bears, stamps, marbles, whatever maybe birthday to her collection by buying one item that will add. Nerdy pop culture paraphernalia. Plan the weekend around that. Eat dinner back at the same restaurant and order the same meals. That is most certainly legal. And no, you cannot just get him a box of boring chocolates. Game of Thrones fan?. Best Answer: Hmm, you could get him the game, and then something personal too? If they ever get engaged this girl's gonna want a huge ring. If you're a gamer too, you can join in, and if you're not, he'll appreciate that you're supportive of his hobby. I don't know, I'm lost here. You know what people always say about mugs? Nothing says, "I'm still getting to know you," like making an extended offer to combine liquors, and nothing says, "we aren't quite at the sweatpants and wine phase in our relationship yet," like making an effort to learn how to make fancy-schmancy cocktails together.
